For the 3:00 with Michal, please see attached for a working draft of the PFAS rinsate data and cover memo. Appendices are in the PDF. I've included my comments on the word version of the cover memo in the interest of time, thinking that you both can add your comments to the same file for Thuy and Yaorong.

Let us know if you have any questions. Mike, can you send me the invite to the 3:00? Or, I can pull the link off of your calendar. Many thanks.
